AGENDA

The theme for 1st Pakistan CISO Summit 2024 is '**Countering New Cyber Security Threats by AI**'.

The rapid advancement in AI technologies has changed every aspect of life today and sometime the future seems scary. As with every technology the challenges to manage it come with the advantages and so is the case with AI.

Our experts, panelists and speakers on cyber security from around the world gather at 1st Pakistan CISO Summit 2024 to discuss challenges and strategies for countering threats that AI pose for businesses in the future.
